Name tapes should preferably be red on white and the conventional type. All name tapes should be invisible to an observer, when clothes are being worn in normal configuration. **Please no plastic or iron-on nametapes** as they come off soon after washing. Your cooperation in marking clothes (and any other item your child brings to school) will go a long way in their being able to keep their property together and of course helping our laundry and matrons look after your child's clothes
